Re: Jay A. Enderle
Troop 429 - Scoutmaster

Dear Russ:

After receiving your reply to our recent identification questionnaire concerning Jay A. Enderle, we regret to inform you that we cannot accept Mr. Enderle's application. We have deleted his name from our records and are enclosing a credit notice of \$3.50 to cover his registration fee.

When informing Mr. Enderle about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Enderle should raise any questions as to the reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

Please submit another application, with the proper fee, for the replacement of Mr. Enderle as Scoutmaster. We will continue to hold the unit until we receive the new registration. Please attach the enclosed referral slip with the new application so that it comes to our attention.

We will then release the unit from our pending file without further delay.

Sincerely,

Paul I. Ernst, Director

Mr. Jerry Beckner

Dear Mr. Beckner:

I am very sorry I have to write this letter, but for the good of scouting, I feel I must.

Mr. J A (Jay) Enderle, a 24 year old single man, who is registered with our troop (250 of Perryville) as an assistant scoutmaster, has engaged in homosexual acts with some of our scouts. Several of our scouts have told me of this. So I have personal knowledge of this.

The boys who have told me of his homosexual acts with them are good responsible young men. I have questioned them several times on this, and I can see no reason why they would lie.

Mr. Enderle has moved from Perryville now, so we don't have the problem anymore. But I think it is my duty to notify the scout office so other scouts in the future will not have this problem. Maybe Mr. Enderle is getting help for his problem and sometime in the future he may be a good scout leader, but I think if he works with youth, either in scouting or some other group, the adult in charge should be told of the problem we had with him in Perryville in 1973.

I think Scouting is a good thing for the boys, and I have tried to do my part, so I would hate to see it get a bad name, because of a few odd balls.

Sincerely yours
[REDACTED]

P. S.

As an addendum to this letter I too feel it is important that this matter be called to your attention. I have three sons registered with this troop, two who have expressed their thoughts about Mr. Enderle's habits and the other wants no part of him in any manner. For the good of scouting I feel that this information should be part of your files for future reference.

Sincerely
[REDACTED]
